

Hello Everyone,

The term is certainly getting away from us now. The staff are working hard preparing the Semester 1 reports. We look forward to sharing the students progress when these are completed.

Last Friday the school acknowledged Sorry Day with the making of a wreath of hands, which is on display in the foyer and singing a song called Sorry Day. It was a beautiful acknowledgement of the day with some of the senior students reading extracts about the significance of Sorry Day. We congratulate all our students in showing such respect for this very important day.

This week the students have been celebrating Reconciliation Week with many activities in class. Next Monday we will be having a BBQ and activity session at school to conclude Reconciliation Week. On Thursday you received a flyer with the information, and I just wanted to let you know that the BBQ and activities will begin at 11:30am not 10:30am as stated on the flyer. We hope you can join us on Monday.

Today our hockey workshops continue. Last Friday the coach commented on how engaged our students were in learning the skills of hockey. Maybe we have some students who would like to join the Coraki Hockey club?

As a part of the flood recovery support, our school will be having a weeklong visit from the Royal Far West in week 9. This group will be running programs with the students and offering programs for parents as well. We will be holding a welcome BBQ during the week and hope that all our families will be able to come and join us. More information will be forthcoming regarding this event.

Today Whaylan and Lachlan will be representing Coraki PS at the Zone Cross Country. We wish them all the best.

Covid-19 is still present in the community, and we ask that you remind your children of the protocols. We remind the school community all the time and encourage anyone to wear a mask if they need to. Please keep your child home if they present with any Covid -19 symptoms.

Our attendance has improved for most students over this year and we celebrate this with you. Thank you for making your child's education a priority. Please remember to call the office if your child is away or send in a note explaining the absence.

We hope you are all well.

Coraki Public School is a great place to work, learn & play!

Kind Regards,

Lyn Parker

Why attendance matters

When your child misses school they miss important opportunities to:

-  Learn
-  Make friends
-  Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed
