# Coraki Public School

Term 4 Week 10

[www.coraki-p.schools.nsw.gov.au](http://www.coraki-p.schools.nsw.gov.au)

Hello Everyone,

We hope you are well. We have had a very busy and successful week.

On Monday the Year 6 formal was held at the Coraki Golf Club and all the attendees enjoyed the evening immensely. The students looked sensational demonstrated that they are ready for High School. Thank you to Ms Rowhani and the staff for all the organisation, the room looked exceptional. Thank you to all the families that attended. We wish all of the Year 6 students the best for next year.

The Intensive Swimming groups concluded yesterday and were a great success. The students participated well and the staff commented on the fantastic behaviour of all. Thank you, Ms Jacqui, for all your organisation.

This week, the students participated in interest groups organised by the staff. The groups were multi staged and included a variety of activities. The staff all commented on how well the students engaged in the activities and on how the behaviour was reflective of the school expectations.

Friday we had our end of year assembly and as the Covid-19 restrictions have eased, we were very pleased to have our families join us for

## Events Calendar

**End of Year Celebrations**  
14/12/2020

**Last day for students in 2020**  
16/12/2020

**Students Return**  
Friday 29 January 2021

## Birthday's

Alexis Martin- 12/12/2020

Julie Armbruster-14/12/2020

Charlton Rudd-15/12/2020

Lyn Parker-28/12/2020

Lucianna Edwards-30/12/2020

Happy Birthday to everyone in  
our Coraki Public School  
Community!

Education

the celebration. It was great to hear about all the great achievements in each of the classes, as each student was presented with an individual recognition award.

Today was our party day. All the students were invited to bring along their lunch, and we invited them to include some party food. They might like to decorate their lunchbox with a festive theme. Unfortunately we were unable to go to the pool with the continued wet weather.

The last day of school for 2020 will be Wednesday December 16.

Day one for the students will be Friday January 29 with Kindergarten commencing on Monday February 1.

We hope you all have a safe and happy holiday and we look forward to seeing you all in 2021.

**Coraki Public School is a great place to work, play and learn.**

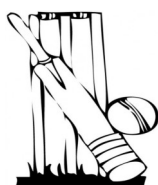

Kind Regards,

*Lyn Parker*

Principal

Cricket has been popular over the last couple of weeks, being played by students throughout the grades during break times.

The whole school rotated through different activities this week in mixed groups. They made snow globes with Miss De Maria

## End of Year Party Day!

Coraki Public School would like to wish our families a safe and happy holiday. School returns on January 29th 2021.

Education

### Japanese Rice Balls

- 1/2 cup white jasmine rice
- 1/2 cup brown rice
- 1tbs vegetable stock powder

#### Suggested Fillings

- Shredded chicken
- Tinned tuna
- Frozen
- Frozen peas
- Carrot, finely chopped
- Cucumber, finely chopped
- Cheese
- Chives

#### Method 1

Combine white and brown rice with stock powder, and cook according to instructions on the packet of brown rice.

#### Method 2

Mix the cooked rice 2-3 of the suggested fillings of your choice.

#### Method 3

Roll into small bite-sized balls and place into pattie cases.

#### Method 4

Store in an airtight container in the fridge and use as needed.

### 3 freezer hacks for the holiday season!

Sign up to the FREE Food Smart program and win!

Did you know that about \$10 billion worth of good food is thrown away every year by NSW households? That's an average of \$3,800 a year per household! With the festive season fast approaching, it's a good time to think about how to store your food right to avoid wasting food.

Here are 3 freezer hacks to help your food last longer this summer:

- ⇒ If you have leftover BBQ's or roasts, freeze them to use for a meal another time. Just defrost in the fridge for 1-2 days before you want to use it.
- ⇒ Chop up leftover herbs and put them in ice cube trays topped up with water. You can add herb ice cubes to meals while cooking for a hit of flavour, or pop them in a refreshing summer drink!
- ⇒ Store bread in the freezer. Sure, we all know this one, but remembering to do it is another thing! In this hot and humid weather, bread doesn't last long, so get it in the freezer before you forget.

And if you do have any food waste or scraps that can't be eaten, remember to put it in the food and organics bin (that's the one with the green lid). It will be turned into compost to help our local farmers supply food for our region.

For more ideas on how to save money and avoid food waste, sign up to the FREE Food Smart program. For 2 weeks, you'll get handy emails with food storage tips, recipes, hints, meal plan ideas and smart shopping solutions. If you sign up and finish the program by 31 January, you'll also go in the draw to win a freezer worth around \$750!

Sign up online to the FREE Food Smart Program at <http://www.newaste.org.au/foodsmart/>.

The FREE Food Smart Program is open to households in the Ballina, Byron, Clarence Valley, Kyogle, Lismore, Richmond Valley and Tweed local government areas.

Food Smart is a Love Food Hate Waste Program coordinated by North East Waste on behalf of its member north coast Councils and the NSW Waste Less Recycle More initiative funded by the waste levy.

#### **SANTA'S FIRE TRUCK**

Good afternoon lovely people,  
No Christmas Carol Service this year.

Santa is coming to Coraki and delivering lolly bags from the Coraki267 Fire Truck on Saturday 12th December. Deliveries start at 1pm from the Police Station end of town. Santa will remain inside the fire truck and there will be a lovely "2020" sign, parents can take pics of their children with the fire truck and Santa 📷 📱

I have put a notice in The Coraki Classifieds asking parents to pop down their address and number of children so Santa can stop at the kerb for a quick visit.
